Robert Edgin. Paperback. Book Condition: New. Paperback. 198 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The insurance industry has changed, consumers have changed, the competition has changed, communication has changed. . . BUT MOST INSURANCE AGENTS HAVE NOT! With mass marketing and over 1 BILLION dollars spent on advertising last year alone by a few of the biggest players in the insurance industry, there's not a day that goes by that your clients and prospects aren't bombarded with messages from your competitors. Unfortunately, most of those messages focus on cheap insurance, saving money or depict the agent as outdated and useless. However, you CAN beat them by communicating with your clients and prospects in ways that the big companies cannot. You CAN use the new rules of communication and new methods to reach your clients and prospects that will set you apart as THE go-to insurance advisor in your area. Agents need to break away from the price wars and commoditization and start creating experiences and relationships with their clients that are impossible to replace. You're in a fight for your agency's life. Whether you realize it or not, change in the insurance industry is going to continue at a rapid pace over the coming years. The big discounters will continue to increase their...
