

Resolving the Israeli-Palestinian Conflict: Perspectives on the Peace Process (Hardback)

By -

Cambria Press, United States, 2009. Hardback. Book Condition: New. New.. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.In the past few decades, an apparent international consensus has developed regarding a two-state solution to the Israeli-Palestinian Conflict. However, in spite of this consensus and the fact that peace talks between Israelis and Palestinians have been ongoing in one way or another for over 17 years, peace has been elusive at best. The frustration and the suffering of the people on both sides of the conflict have led many to believe that the two-state-solution consensus is, in fact, unattainable, and this has fueled the emergence of alternative solutions. On one end of the spectrum, there are those on the Israeli side that advocate the idea of conflict management, instead of conflict resolution. At the other end of the spectrum are those (mostly on the pro-Palestinian side) who champion the proposal of a single, bi-national state. It was in this context that a group of academics from the U.S., Israel, and Palestine, gathered at a conference aptly titled Pathways to Peace in March 2008 to explore, discuss, and generate fresh, new ideas to bring forth an...
