## Afghanistan: Dynamics of Survival

By Jagmohan Meher

2008. Hardcover. Book Condition: New. 308 This study is an attempt to look at the various developments in and challenges of Afghanistan with a view to understand the dynamics of survival of this land-locked country. This is the most comprehensive and analytical study of its kind on the recent geo-political developments in Afghanistan. The authors have been very careful on putting across empirical data and ongoing trends very cohesively to understand the role of both governmental and non-governmental across in this wartorn country. the role of regional and outside nations in the context of the country' fragmentation as well as reconstruction has also been highlighted considering the fact that these countries have an important ability to the influenc positively and negatively the course of developments in Afghanistan. This book should be useful for the students, teachers, diplomats, foreign policy makers, and people evincing interests in the turbulent geo-political dynamics of Afghanistan. About The Author:- Dr. Jagmohan Meher, teaches Political Science, International Relations and Area Studies at National Defence Academy, Khadakwasla, Pune, India. He is a former Fulbright Fellow at the Univeristy of Illinois, and the author of the book, America's Afghanistan War: The Succes That Failed (new Delh: Kalpaz Publications, 2004)....
