Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

(Otilia Schinner)

PLAY IT AGAIN TOM

Transworld Publishers Ltd. Hardback. Book Condition: new. BRAND NEW, Play it Again Tom, Augustus Brown, Dogs can smell electricity. Cats can heal bones by purring. Kittens can contact their mothers via a secret, ultra-sonic language. Dogs can understand a vocabulary of 200 human words. Every day, it seems, new scientific discoveries are fuelling the age old argument about which of man's two best friends really is the superior species. Augustus Brown fans the flames further with this collection of the weirdest, most wonderful and downright incredible of these truths about cats and dogs. Did you know, for instance, that dogs can see moving objects 900 yards away, and that cats can sense earthquakes coming? Or that dogs prefer Bach to Britney, while cats prefer drugs to chocolate? Fascinating, funny and provocative, his book may not settle the debate once and for all. But it is certain to set cat and dog lovers arguing like, well you know what.
