## Animal People (Paperback)

---

By Carol Rumens

Poetry Wales Press, United Kingdom, 2016. Paperback. Book Condition: New. 216 x 138 mm. Language: English . Brand New Book. Animal People is the new collection by the distinguished poet Carol Rumens. Often inspired by and infused with the weathers of various seasons of the year, a strong sense of place also features in most poems, whether it be the dramatic mountain rock-scapes of Snowdonia or the gritty streets of London. The title poem is a ten-page meditation or symphony in varying movements, on the theme of autism and explores what it is to ?be on the spectrum,? particularly for a young girl, and what the autistic perspective may mean for individuals and for human destiny. Drawing on personal and family experience, this poem is infused with the author?s characteristic empathy, curiosity and humanity. There is a strong sense of commemoration in this collection, of time passing and of the challenges of mortality, and also a number of brilliant pieces that are influenced by translations or re-readings of classic works of literature.
