The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 3 books introduce the concept of the 'story', and include simple phonic sounds and very high-frequency words with simple spellings. It's fun to draw your own portrait! Follow one girl as she shows how she can make her own self-portrait with collage materials in this instruction book by Charlotte Guillain. Children can recap the stages and check understanding at the end of the story. Lively and engaging illustrations to keep children interested.
