Paperback. Book Condition: New. Ships From Canada. New. No dust jacket as issued. Trade paperback (US). Glued binding. 256 p. Audience: General/trade. Book Description Akin to Alice McDermott, Regina McBride has crafted a gem that explores exile and memory, and the ways in which passion transcends time and distance. She tries to remember her mother's voice and the pitch and treble of it passes through her; the rhythm of it so clear that for a moment they are connected by frail strings. So begins *The Land of Women*, and we are swept into Fiona O'Faolain's last summer in Ireland, the season of her burgeoning sexuality. It is a time, too, when mother and daughter step toward friendship among the voluminous gowns they make for local brides. Yet that giddy summer also delivers betrayal. Fiona's journey from the shame that ended her girlhood takes her to Santa Fe and to Carlos Aragon, a restorer of antiquities, whose ancestry is mysteriously linked to hers. As he explores their pasts with the precision of an artisan, Fion.
