Divine Healings is a guide to the world of true divine healing and deliverance. From a holistic point of view, man is dissected and evaluated to establish truth based on scriptures on how disease, illness, and other ailments trespass into our physical, emotional, and spiritual realms. I encourage, provoke, and empathize with each individual to take hold of this sword sharpened with experience, knowledge and revelation and use it to once and for all eradicate trespassing, disease, illness, and conditions that are presently inhabiting your bodies and emotions.
