Brand New Book ***** Print on Demand *****.Do you remember what it's like to be a kid? This version of you that you now want to change, the one that you wish was a little more outgoing and more confident, is not that you started out as. The way you feel today with fear, doubt, and insecurity flooding your mind with every step you take is simply an outward representation of all the things that caused you pain as a child. In this book you will learn: Introduction: Building...
