VAN MORRISON

To read **Van Morrison** eBook, remember to access the button below and download the document or gain access to additional information which are in conjunction with VAN MORRISON ebook.

Da Capo Press. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 9.1in. x 6.0in. x 0.8in. In an age when image and self-promotion increasingly dominate the rock industry, Van Morrison remains a proud, belligerent outsider. An intensely private man and a revelatory performer, he has communicated more deeply within the limits of rock songwriting and has been less responsive to the obsessional inquiries of the media than almost any other artist. Ever since connecting with classic American jazz, blues, and gospel music during his Belfast youth, Van Morrison has stayed one step ahead of fellow musicians, fans, and critics. From the explosive teenage days with Them, through the creation of 1968s seminal Astral Weeks, to the vocal and spiritual experimentation of Veedon Fleece and Into the Music, Morrison has never stopped developing complex lyrical and instrumental visions that defy easy classification. Enjoying commercial success, the recognition of a younger generation, and collaborations ranging from John Lee Hooker to Tom Jones, he continues to dazzle and beguile his audience. In this definitive survey of Van Morrisons life and music, John Collis charts the scale of his achievement and the sources of his creativity, and provides stimulating assessments of his music. Drawing on interviews with those closest to Morrison at every stage of his career, with a full discography and many rare photographs, Van Morrison: Inarticulate Speech of the Heart offers unique insight into one of rocks greatest singer-songwriters and most instantly recognizable voices. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
