## COLOURS OF CHAOS (PAPERBACK)

St Martin s Press, United States, 2000. Paperback. Book Condition: New. 170 x 107 mm. Language: English . Brand New Book. The biggest fantasy from L. E. Modesitt, Jr. to date, Colors of Chaos is the story of the White Chaos wizard Ceryl: his education in life and love, and his rise to power in the magicians guild of Fairhaven. This is the direct sequel to The White Order, which told of Ceryl s boyhood and youth, and takes place at the same time as the events in Modesitt s earlier novel, The Magic Engineer. Yet it stands alone, the longest Recluce novel, a portrayal of the growth and change of character and of the strengths and weaknesses of an age-old civilization held together by the power of magic.Ceryl, now a full mage in The White Order, must prove himself indispensable to Jeslek, the High Wizard. Whether through assassination, effective governance of occupied territory or the fearless and clever direction of troops in battle, Ceryl faces many harrowing obstacles, not the least of which is Anya, the plotting seductress who s the real power behind the scenes of the white wizards. With his wits, his integrity, and the support of his love, the Black healer Leyladin, he must survive long enough to claim his rightful spot within the ruling heirarchy of the White Order.This is a must-read for followers of the Saga of Recluce, offering a unique, sympathetic point of view of the White Chaos wizards-the forces that throughout history have opposed the magicians of Recluce. Colors of Chaos is the ninth book in the saga of Recluce.
