Soundcheck Books. Paperback. Book Condition: new. BRAND NEW, Wayward Daughter: An Official Biography of Eliza Carthy, Sophie Parkes, Eliza Carthy is the daughter of Martin Carthy and Norma Waterson. The clan has often been rightly described as folk's royal family. Martin was in Steeleye Span, Albion Dance band and the Watersons as well as holding down a successful solo career. Norma was a member of the Watersons folk group and now Waterson:Carthy. Perhaps it was inevitable that Eliza would follow the family trade and become a folk musician. She is no pale imitator though, and can play just about any stringed instrument like a virtuoso, though amazingly she underrates herself. This self-doubt seems at odds with the public persona of a brassy northern lass. Her albums are exceptional slices of traditional and new folk, but the stage is her natural home, enthraling audiences with a blend of folk, jazz, rock and music hall. 2011 saw her win two out of the three categories she was nominated for in the Radio 2 British Folk Awards swelling an already bulging trophy cabinet. At 36 years of age it seems apt to chronicle the first part of an eventful life. In addition to extensive interviews with Eliza herself, the book contains interviews with her parents and other family members and also many of the people Eliza has worked with: Billy Bragg, comedian Stewart Lee, Richard Thompson Van Dyke Parkes and many more were fulsome in their praise of Eliza when interviewed. The author has been tenacious in tracking down people that are important to the story and has even interviewed her former school teacher! Eliza has an extensive collection of photographs that people have taken of her and she has been exceptionally generous in letting us use them. With a foreword by Mark...
