HarperCollins Publishers Inc, United States, 2012. Paperback. Book Condition: New. Revised ed.. 201 x 132 mm. Language: English . Brand New Book. The miracle baby of the former Governor of Michigan, Mitt Romney catapulted to national prominence a decade ago, first as head of the 2002 Salt Lake City Olympics Organizing Committee, and then as the Republican Governor of the solidly-blue Massachusetts. In this engrossing and eye-opening biography, seasoned Boston Globe investigative reporters Michael Kranish and Scott Helman - journalists who have covered the candidate for a decade-go beyond the all-American looks and dazzling smile, stump speeches and glossy campaign brochures to reveal the core of the highly successful figure that is so well recognized yet so little known. They analyze Romney s controversial tenure at Bain Capital, one of the world s leading private investment firms. And they provide a thorough examination of his race against Senator Ted Kennedy, his role in the 2002 Olympics, his Massachusetts governorship, and why his 2008 run for president failed.
