Reviews

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.
(Kitty Crooks)*

THE RECLUSE STORYTELLER

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 230 pages. Dimensions: 7.7in. x 4.7in. x 0.3in. The twins, beckoned by an ominous streak of light across the sky, climb Harpers Hill to encounter an apparition of their missing father. The reverend stands on a muddy ridge, the barrel of a rifle in his neck, looking down on a Vietnamese village, scarred by war and regret. The brash terrorist, Red Hat, desperately tries to walk away from life unscathed and unattached. The stories haunt Margaret every waking moment, but they are anything but random. A fractured view Michael Cheevers red hat through a discreetly cracked door sends her off on adventure. A glimpse of the Johnson twins from apartment 2D transports her mind to the lonely hill on a Midwestern prairie in 1887. The regular letters from Reverend Davies bring her to the brink of exhaustion as she stares intensely into the heart of war, deep in the jungle of Vietnam. Margaret is not insane, at least not in a clinical sense. Shes like a midnight raccoon, painfully aware of her surroundings, gleaning crumbs of information at every turn. Her eyes peer incessantly in the night, stealing glances of the neighbors through partially opened doors. But the tales she weaves were not meant to merely hold empty court to the receptive dead air of her apartment. Her stories were meant to embolden the lives of the inhabitants of that drab apartment block because her story is also their story--and everything would be different if they could only hear the prophetic words of the rambling recluse. The Recluse Storyteller weaves five stories into one as the loner, Margaret, not only searches for meaning from her reclusive life, but also gives meaning in the most unexpected ways...
