America Star Books. Paperback. Book Condition: New. Paperback. 446 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. She orbits you in her emotional atmosphere in virtue of her sexual nature that emits a power of attraction with your attraction mutual with a sexual force in direct proportion to your collective attractions and natures. The depth of her lust and of her attraction is simply the pull exerted on her by the mass of your magnetism, your imagination and your sexual certainty and inner trust and your self-assuredness. Love, sexuality, and eroticism is the itinerary that defines her behavior witnessed in her submission, her devotion, her sensuousness and steaminess and in her total abandonment to the power of her sexual intelligence, her insight and her emotional identity. She is like diamonds forged out of Mars, transparent, multi faceted, with the brilliance of stars in a serene, clear, black endless sky that forms a hexagonal pattern of emotions stretched across space that is seen when you look into her minds eye and see the serenity of her emotional lake. She is drawn out and enticed by her own desires, those desires, yearnings, and cravings give birth to her spirit of lust, with this spirit of attraction like love, being recognized by how it behaves and acts like a hand with a glove. Your lust is like a fire melting her frozen energy, her indifference and fear, with her arousal like the sky merging with the sea, and her orgasm like the waves on that sea coming one after another after another, pounding her relentlessly. Her orgasm is without any shadow as she doesnt fight it, judge it or condemn it but instead lets it glide meditatively in deeper and deeper into her body and soul allowing it to occur in exquisite delicate silence, prolonging...
