By Graeme Kent

Little, Brown Book Group. Paperback. Book Condition: new. The group of three elderly sisters currently there are rumoured to have 'gone native' and Conchita tries to grapple with these eccentric, tough-minded insurgents and the secrets they are keeping when an American tourist is murdered in their mission church but perplexingly, the colonial authorities want nothing to do with this bizarre crime. Together, the idealistic young nun and practical witch doctor set out to solve the mystery. In the process they discover links to a local independence organisation, a powerful international logging company, and, most puzzling of all, to John F.
