The Courage of Marge O Doone, (Paperback)

By James Oliver Curwood

1st World Library, United States, 2006. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.If you had stood there in the edge of the bleak spruce forest, with the wind moaning dismally through the twisting trees - midnight of deep December - the Transcontinental would have looked like a thing of fire; dull fire, glowing with a smouldering warmth, but of strange ghostliness and out of place. It was a weird shadow, helpless and without motion, and black as the half-Arctic night save for the band of illumination that cut it in twain from the first coach to the last, with a space like an inky hyphen where the baggage car lay. Out of the North came armies of snow-laden clouds that scudded just above the earth, and with these clouds came now and then a shrieking mockery of wind to taunt this stricken creation of man and the creatures it sheltered - men and women who had begun to shiver, and whose tense white faces stared with increasing anxiety into the mysterious darkness of the night that hung like a sable curtain ten feet from the car windows.

This ebook will be worth acquiring. It is actually writter in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
