

How to Successfully Learn a New Language in 1 Year (Paperback)

By Jason Eyermann

Aspire Create Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written for the purpose of helping anyone who wants to learn a new language in an effective, efficient, inexpensive and enjoyable way. You can use the advice and methods described in this book to learn a new language to a conversational level in only 1 year without leaving your country and without the need of a language learning college or university course. The methods described in this book require you to only study around 1 hour per day everyday for 1 year; therefore, if you work full time or you are a full time student in a subject unrelated to languages, then this book is still suited for you. Some of the advice given in this book: Advice given in this book: The most effective language learning methods How you must alter your learning routine as you improve your level in order to learn a language in the most efficient way The best resources available to help you find language learning partners The best methods to learn grammar without the stress Efficient methods...
