Pearson Education (US), United States, 2015. Paperback. Book Condition: New. 226 x 175 mm. Language: English . Brand New Book. The Gourmet iOS Developer s Cookbook offers a fresh banquet of delicious cutting-edge iOS programming recipes for projects both big and small. Renowned iOS programming expert Erica Sadun brings together reliable, proven code for creating today s richest, most robust apps. Sadun presents innovative ways to make the most of AVFoundation, Text Kit, animation, adaptive interface programming, and much more. As in all of her iOS best-sellers, this pragmatic guide translates modern best practices into working code, distilling key concepts into recipes you can understand and build on. This is more than just cut-and-paste; using examples, Sadun offers a deep dive into the how and why of advanced iOS development. The code reflects iOS s latest capabilities, and every chapter groups related tasks together, so you can jump straight to your solution. Coverage includes * Providing advanced speech generation and barcode recognition features through AVFoundation* Automatically updating app text presentation based on user preferences and expectations* Extending rich, flexible text throughout your apps with UIKit and Text Kit* Seamlessly migrating text designs between iOS screens and other destinations* Generating attributed text strings from HTML sources* Integrating real-world physics for exciting animations and interactions* Creating better interfaces with dynamic animators--and overcoming their pitfalls* Achieving greater visual impact with improved user alerts and popovers* Implementing clever and compelling effects with non-rectangular views* Building adaptive apps that gracefully respond to any iOS display, orientation, or screen* Streamlining development with expert methods, functions, and techniques* Exploring the core concepts you ll need to migrate successfully to Swift This book s source code is frequently updated by the author and can be downloaded at.
