Createspace, United States, 2014. Paperback. Book Condition: New. Bilingual. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.LEARN RUSSIAN NEWS Vol.3: English Russian THIS EDITION: The dual-language text has been arranged into sentences and shorter paragraphs for quick and easy cross-referencing. The source text is the Russian language edition of Voice of America (VOA). The Russian text has been translated into English for this dual-language project. The book can be read in parallel text format (side by side), but can also be read only in English, or only in Russian. A methodology for getting the most out of this bilingual format is explained in the book s Foreword. The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language: to be able to read only in the foreign language, and extract enough understanding to continue the language learning process fruitfully this way. A reader might like to go back to reading dual-language news for reinforcement and further development, returning to foreign language only news with a deeper understanding. By going back to the same old news, you are going over words, word patterns, and passages with which you already have a certain familiarity. The process of reinforcement, learning or retaining of what is new, and exposure to what is unfamiliar, is much easier this way - even though the news may seem a little dated. The aim of informing the reader about actual news is secondary, especially given that the content will become less current (and less relevant) over time.
