Reviews

The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).

(Mrs. Jacklyn Simonis)

GUYAHOLIC (PAPERBACK)

Candlewick Press (MA), United States, 2009. Paperback. Book Condition: New. Reprint. 201 x 140 mm. Language: English . Brand New Book. Mackler's unsentimental feel for how kids think and talk, and how they go about entering the grown-up world, makes V's journey engrossing. -- The New York Times Book Review Ever since V's mom dumped her with her grandparents, she's bounced from guy to guy. That is, until a fateful hockey puck lands her in the lap of Sam Almond, who is different from the start. But V makes an irreversible mistake at her graduation party and risks losing Sam forever, spurring her on a crosscountry road trip to visit her mom in hopes of putting two thousand miles between herself, Sam, and the wreckage of that night. With humor and compassion, Carolyn Mackler takes readers on an unforgettable ride of missed exits, misadventures, and the kind of epiphanies that come only when you're on a route you've never taken before.
