Lippincott Williams and Wilkins, United States, 2014. Paperback. Book Condition: New. 4th International edition. 278 x 210 mm. Language: English . Brand New Book. Prepare your students for their future careers with **Essentials of Pathophysiology: Concepts of Altered Health States, 4e**. This clear, readable, and student-friendly text delivers need to know disease content, along with the essential foundation in science that nursing, physician assistant, pharmacology, advanced health science, and medical students need to succeed in their future careers. Approaching the topic as an exploration of pathophysiology, the book relates normal body functioning to the physiologic changes that occur as a result of disease and provides concise yet complete coverage of how the body works. The Fourth Edition builds on the book's extremely successful art program and the Understanding feature and incorporates summary concept boxes after each section. In addition, an expanded, robust, and flexible suite of supplements, including a Study Guide, over 40 advanced 3-D animations, prepU, and Lippincott's CoursePoint, provide students with all the tools they need to succeed. Student Resources: A fully searchable eBook online is ideal for review on the go. Learning Objectives for each chapter provide an outline of key content that must be mastered. Journal Articles by chapter, updated for this edition, offer access to current research available in LWW journals. Concepts in Action Animations for every chapter help students master key topics. New! More than 40 Advanced, 3-D Narrated Animations help students master complex pathophysiological concepts. A Spanish-English Audio Glossary provides terms and phrases for communicating with patients in Spanish. Monographs of the most commonly prescribed drugs provide up-to-date information. 600 NCLEX-style Review Questions help students improve their test-taking skills and prepare for the NCLEX. A Dosage Calculations Question Review Question Bank gives students practice in math skills and calculating drug dosages...
