

## Technology Integration and High Possibility Classrooms: Building from Tpack (Paperback)

By Jane Hunter

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Technology Integration and High Possibility Classrooms provides a fresh vision for education in schools based on new research from in-depth studies of technology integration in exemplary teachers classrooms. This timely book meets the demand for more examples of effective technology integration by providing a new conceptual understanding that builds on the popular and highly influential theoretical framework of technological, pedagogical and content knowledge (TPACK). Technology Integration and High Possibility Classrooms details four rich case studies set in different contexts with students ranging from age 6 to 16. Each case study articulates in very practical terms what characterizes exemplary teachers knowledge of technology integration and how that is applied in classrooms. This highly accessible book clearly demonstrates how theory informs practice and provides new possibilities for learning in twenty-first-century schools.
