## REASONS MY KID IS CRYING (PAPERBACK)

Three Rivers Press (NY), United States, 2014. Paperback. Book Condition: New. 180 x 154 mm. Language: English . Brand New Book. A glimpse into the tribulations of parenting that is part documentary, part therapy, and completely hilarious. It all started when busy father Greg Pembroke posted a few pictures online of his three-year-old son, mid-tantrum, alongside the reason his son was crying: He had broken his bit of cheese in half. In *Reasons My Kid is Crying*, Greg collects together photos sent from parents around the world, documenting the many, completely logical reasons why small children cry. Among them: I let him play on the grass . . . He ran out of toys to throw into his pool . . . The neighbor s dog isn t outside . The result is both an affectionate portrait of the universal, baffling logic of toddlers and a reminder for burned-out parents everywhere that they are not alone.
