THE SOUND OF BIRDS (PAPERBACK)

Zuriel Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. I was awake when the sun rose, floating not on a bed of cotton and coils, but a bed of ecstasy, and in that moment I knew what the poets know and what the birds of dawn know: that the rising of the sun is a majestic and cosmic gesture, beyond what the human mind can possibly comprehend. I can tell you that it is futile to try. It only gets one all tangled up. But I suppose the mind is relentless like a little dog pulling on its bone, giving a guttural growl as you try to take the bone away, needing, just needing to hang on to some conceptual understanding. The sanctified reality of life itself exists like a humming ocean unknown, below the dense smoky layer of ordinary perception. Lovers and poets penetrate it at times. Mimi Rizner resides at a psychiatric hospital navigating relationships with colorful patients, villainous nurses, and her own mind, but all she wants is her freedom. She recalls her childhood, living out of the family s camper van, Bertha, her turbulent youth, love found and lost and the precarious months just before being admitted to the hospital. The Sound of Birds is a story about the human mind, the cross-roads of the mystical and madness, belonging and healing.
